LAW & PRACTICE LECTURE SERIES 2025

MANDATORY PROGRAM :: B.Com.LL.B. / B.A.LL.B. (2022-27)

Dear Parent / Student,

Greetings from Lloyd academic community!

In contemporary times, classroom teaching for a student of law degree program remain insufficient as potential recruiters look for law graduates who are not only well versed with the Bare Acts, but who also possess adequate practical knowledge and are familiar with working of the Courts. Apart from this, fluency in communication skills, including good research skills, drafting skills are necessary for a law graduate. This all can't be covered in class-room teaching; it has become essential for law school to take the teaching & learning beyond class-rooms and to bring in the element of understanding & application of law in its curriculum.
