## **LLOYD CRIMINAL TRIAL ADVOCACY COMPETITION 6.0**

### **(Intra-College Trial Advocacy Competition)**

September 2024 -to- April 2025

Sunday-15-Sept.-2024

Dear Parent / Student,

Greetings from Lloyd Skill Centric Education Community!

Legal education is principally a justice education. Legal profession in its entirety is a service imparted through judging, advising or counseling in law courts. A law student should acquire legal & allied knowledge and professional & personality skill set during his graduating days. Alongside academic progression, development of personality and professional skill set is one of the most important imperative of legal education that a novice should understand when to 'think like a lawyer' and when 'not to think like a lawyer'. At Lloyd, we impart best of skill sets through various curricular / co-curricular simulation exercises that have been designed & framed with purpose of cultivating professional personality in the novices.

#### **Lloyd Criminal Trial Advocacy Competition 6.0 ::**

Lloyd had introduced a unique learning activity, i.e., Lloyd Criminal Trial Advocacy Competition (L-TAC) for its students in 2018; we have successfully completed five editions of the L-TAC. It gives opportunities to students of the Lloyd Law College / Lloyd School of Law to participate and learn practical aspects of the criminal trial through role plays & simulation exercises, and to find themselves ready for the profession after completing L-TAC.

LTAC is an annual event; one cycle of the competition takes 06 - 08 months to complete in which participating students play various roles, like, Victim / Complainant, Duty Officer @ Police Station, Investigation Officer, Public Prosecutor, Defense Counsel etc. It is conducted in multiple stages completing one cycle of any criminal matter starting from reporting matter to the police to delivery of verdict by the trial court.

Through this email, we invite applications from students of following batches of the Lloyd Law College & Lloyd School of Law to participate in the LTAC – 6.0 that will commence in September, 2024 and will conclude in April, 2025.
