Dear Parent/Student,

Greetings from Lloyd academic community!

Lloyd is a learning-centric academic community committed to excellent legal education. We create intellectually stimulating environment that helps students develop through case studies and case analysis; hone their writing, argumentation, and counselling skills; and think broadly and critically about legal problem-solution. We work to keep these programs at the vanguard of legal education. We take efforts to provide an individualized support approach to each student's academic and specific needs and concerns.

Mooting at Lloyd is one of the most essential and invigorating activity. Mooting is not same as any other activity; it is specialized application of art of persuasive advocacy. It has been part of training lawyers for centuries and plays an important role in legal education at Lloyd.
