B.A.LL.B. & B.Com.LL.B. (2026-2031)

Wednesday 09 Sept. 2026, IST 08 AM – 04 PM

Wed.-09-Sept.-2026

Dear Parent / Student,

Greetings from Lloyd academic community!

Lloyd Law College & Lloyd School of Law and its cells and committees continue, through the year, with their learner-centric academic trainings and workshops. The new semester of the academic year (2026-31) has already begun. Our professional and practice-oriented cells, which believe in holistic development through skill development sessions, are ready with sessions and competitions for the semester.

The Lloyd Personality Development Cell welcomes the new academic batch B.A.LL.B. & B.Com.LL.B. (2026-2031). The PD cell is taking forward its promise of creating an intellectually stimulating environment and the cell is to conduct its first workshop on Wednesday 09 Sept. 2026 for the B.A.LL.B. & B.Com.LL.B. (2026-2031).

The Personality Development cell aims that the students passing out from Lloyd should be with a firm foundation which would enable them to join the legal practice and profession as effective professionals. We work to keep these programs at the vanguard of legal education. We make efforts to provide an individualized support approach to each student's academic and specific needs and concerns.

The PDC aims at ::

- Enhancing the confidence level of students.
- To screen out barriers and obstructions that stand in the way of expression of an individual through training.
- To provide the participating students with opportunities to gain analytical skills.
- To improve communication skills.
- To be an asset to the institution/ organization / family.
