The Pre-Induction program is designed for the newly admitted batches of BA.LL.B. (5 years) and LL.B. (3 years) with the aim to equip them with *know-how* of planning and processing their academic life during the law school and professional life after the law school. As the students step into the professional space of legal education, this pre-induction program will help them ease in transition. Further this program will enable admitted students to make quintessential career choices after law school. These sessions will be ice-breaking sessions as this will be our new-joiner's preliminary interactions with legal educational and professionals' space.
