Forensic Advocacy Program

Workshop on "Forensic Psychology (Lie Detection & Interrogation Techniques"

(Hands-on Experiments)

Sunday-13-Nov.-2022

Dear Parent / Student,

Greetings from Lloyd Academic Community!

Legal education is a process of learning the legal practice and profession. Forensic Science Investigation Advocacy Training Course is designed to provide practical training of Forensic Science Investigation and legal methodical skills of criminal and civil investigation to the students. This is an Additional Credit Course, designed only for the BA.LL.B. & LL.B. (final year) appearing students only. Learning in this course will expertise the knowledge of criminal and civil trial investigation process and advocacy skills of the participating students. This is going to be a differentiating factor for the participants in the legal practice and profession from trial to appellate practice.
