Dear Parent / Student,

Greetings from the Lloyd Institute of Mediation & Arbitration!

LIMA-ELECTIO 2023 ::

LIMA announces LIMA-ELECTIO, Internal ADR Competition for the selection of student members of LIMA. The LIMA members would be eligible to take part in all regular activities of LIMA and will also be considered to form the team representing Lloyd Law College/Lloyd School of Law and LIMA at various National and International ADR Competitions; subject to the LIMA By-Laws.

LIMA Electio Training Program ::

LIMA announces LIMA Electio Training Program, a basic training program for students who are interested in learning about mediation. The program will prepare the students for the

upcoming Electio 2023. The program provides a comprehensive overview of the mediation process, outlining the steps that a mediator typically takes to help parties resolve their disputes. It also covers the important do's and don'ts of mediation, giving students a clear understanding of how to act in certain situations.

Throughout the program, students will have the opportunity to ask questions and receive feedback on their mediation plans. They will also participate in role-playing exercises, which will help them develop their mediation skills and gain confidence in their ability to facilitate constructive dialogue between conflicting parties.
