**Parent / Student,
Greetings from Lloyd academic community!**

We are glad to share the information that students (*named in the above poster*), who were selected amongst you, will be pleading their respective cases before the Bench @ High Court Jurisdiction under Lloyd Criminal Appeal Advocacy Competition 1.0 that was launched in December, 2022. It is a unique training programme in which participants are given real-life Trial Court Records on the basis of which they draft appeals to be filed before appellate court. This is Ist round of the LCAAC, and the IInd & the Final Round will be argued before the Supreme Court's appellate jurisdiction.

We have scheduled appeal cases before the High Court on 18th, 19th, 25th & 26th March, 2023. The Court will be presided over by a Bench of two judges who are experienced persons from the Bar. Their credentials in the above poster speak for themselves.

You are invited to be an audience to the same as it will make you learn the appellate procedure with practical perspective; further, it will motivate you to participate in future edition of the same.
