## NOVICE INTERNAL MOOT ELIMINATION – 2022

Sunday-26-Dec.-2021

Dear Parent / Student,

Greetings from Lloyd Academic Community!

Lloyd is a learning-centric academic community committed to excellent legal education. We create an intellectually stimulating environment that helps students develop through case studies and case analysis; hone their writing, argumentation, and counselling skills; and think broadly and critically about legal problem-solution. We work to keep these programs at the vanguard of legal education. We provide an individualized-support approach to each student's academic specific requirements.

Mooting at Lloyd is one of the most essential and invigorating activities. Unlike many other activities, Mooting is a specialized application of art of persuasive advocacy. It has been a part of lawyers' training for centuries, thus, an integral part of the legal education at Lloyd.
