Pre-Placement Training Program ::

Placement is the first and last concern of the student in modern legal education and profession process. Primarily it is a mutual responsibility of the student and the institution. This joint responsibility is catered by the college in multiple ways. One of the most important processes of achieving the desired placement is placement readiness / pre-placement training. This is vital from both the perspectives of student and the recruiter. Lloyd Law College has the practice of conducting the placement readiness / pre-placement training programs on monthly basis. The same is scheduled for all the students of BA.LL.B. (2017-22) and LL.B. (2019-22) as per the schedule provided. We have invited industry experts of various soft and hard skills of various importance for the personality and professional excellence to interact with the students in varied issues.

Pre-Placement program details are provided in the Agenda attached with this mail. Participation Certificates will be provided to all the participants in this program.

Hope to see you all in regular classes, additional courses, practical academics, skilling opportunities and professional guidance of excellence and standard.
