Novice Debate Competition & Selection Rounds-2021

"You may be right and I may be wrong but with effort, together we may get nearer to the truth." - Karl Popper

Mon.-20-Dec.-2021

Dear Parent / Student,

Greetings from Lloyd academic community!

Debate is a formal contest of argumentation between two teams or individuals. But more broadly, and more importantly, debate is an essential tool for developing and maintaining democracy and open societies. More than a mere verbal or performance skill, debate embodies the ideals of reasoned argument, tolerance for divergent points of view, and rigorous self-examination. Debate is, above all, a way for those who hold opposing views to discuss controversial issues without descending to insult, emotional appeals, or personal bias. A key trademark of debate is that it rarely ends in agreement, but rather, allows for a robust analysis of the question at hand. Perhaps this is what French philosopher Joseph Joubert meant when he said: *"It is better to debate a question without settling it, than to settle a question without debating it."*

Lloyd Debating Society [Deb-Soc] is organizing **Novice Intra Lloyd Debate Competition & Selection Rounds** for the **B.A.LL.B. and B.Com.LL.B. (2021-2026)**. The competition in its initial phase is two staged – **British Parliamentary Debate and Conventional Debate**. These rounds will further shortlist only 90 students for a **Personal Interview** as a final round of selection as Deb-Soc Members 2021-2022.

Lloyd Debate Society is organizing an **Orientation Workshop on Tuesday 21 Dec. 2021** to apprise students of the various formats of debates. This Workshop will be followed by Two Rounds of Competitions to select the **Best Novice Debater of Lloyd** and further to induct students as **members for Deb-Soc 2021-2022** after a Personal Interview.

SELECTION PROCEDURE :: Once the Orientation Program is over the selection procedure for Lloyd Debate Society will begin.

Round 01 :: The students will participate in the **BPD (British Parliamentary Debate)** and will be evaluated based on criteria that is not merely the ability of students to speak well but also to strongly put forth the thoughts and ideas in coordination. This comprehensive process would enable the selectors to measure not only the potential of a student at a given point in time, but the development of the students over a period, and their ability to add value to the team.

Round 02 :: The students will participate in **Conventional Debate** where they will be evaluated based on their speaking skills, ingenuity, persuasiveness, reasoning and research work.

Round 03 :: Top 90 students selected after Round 01 and Round 02 will participate in a Personal Interview Round to be further selected as members of the Lloyd Debate Society.
