Dear Parent / Student,

Greetings from Lloyd Academic Community!

## **SOFT SKILLS TRAINING PROGRAM ::**

Soft skills provide students with a strong conceptual and practical framework to build, develop and manage their professional responsibilities. It plays an important role in the development of the student's overall personality, thereby enhancing their career prospects. The soft skills training provide a strong practical orientation to the students and helps them in building and improving their skills in communication, the effective use of English, business correspondence, presentations, team building, leadership, time management, group discussions, interviews, and interpersonal skills. This training also

helps students in career visioning and planning, effective resume writing and dealing with placement processes and head hunters.
