All the eligible students are advised to fill the application form as this is the final opportunity.

The date shall not be extended further under any circumstances and **no request shall be entertained from those who fail to apply in time.**

Below is the email circulated on September 18, 2026, providing complete details about Lloyd Scholarship Application 2026-27:

Lloyd Scholarship Committee, functioning under the Department of Students' Welfare, hereby invites applications for the grant of Lloyd Scholarship for **academic session 2026-27**. The scholarship has the following two categories;

1. **Renewal/Continuation:** The students who are already drawing any scholarship of renewable nature have to apply under this category. The list of available scholarships under this category has been mentioned in the Scholarship Policy Brochure.

2. **Fresh:** The list of available scholarships under this category has been mentioned in the Scholarship Policy Brochure.

The terms and conditions for the continuation and fresh grants shall be as follows;

1. **Attendance:** Minimum **80% class attendance** in the previous academic year.

2. **Marks: For B.A.LL.B. 2025-30, B.Com.LL.B. 2025-30 AND LL.B. 2025-28 Batches:** Must have attained a **minimum of 58% marks** with no back paper in previous academic year.

6. **For continuation/renewal of scholarship:** The applicant must be holding a scholarship without interruption and the scholarship must be eligible for renewal/continuation. Certain scholarships such as Class Toppers' Scholarship is a one-time grant and hence it cannot be continued.

Process to apply:

The students have to **apply through their college ERPs.**

Login to your ERP. In the side bar, find the 'Scholarship' tab, below the 'dashboard' tab.

Click on this 'Scholarship' tab and proceed to fill in the required information and upload the relevant documents as mentioned therein.

Proof of Submission of Application: Once the applicant submits the application form, an automated response (acknowledgement) will be received by them. It may be noted the submission of the form itself does not amount to grant of scholarship.

Important:

i) It is the responsibility of the applicant to choose correct option under the tab "claim type" i.e., continuation or fresh and then choose the scholarship which they are applying for.

ii) Scholarship on the basis of Co-curricular achievements appears in both the categories viz. continuation and fresh grants. The applicants who possess this scholarship on the basis of their school-based co-curricular achievements have to fill under continuation/renewal

category whereas the applicants who wish to receive a scholarship on the basis of performance in their previous academic year at Lloyd, such as Moots, Debates etc. have to fill under fresh grants category.

Confiscation of Scholarship on Disciplinary Grounds:

The applicants must note that the grant of scholarship is not absolute and is subject to continued disciplined behavior in the college premises, hostel and transport. If any applicant is found guilty of indiscipline by the Campus Disciplinary Committee, their scholarship shall be confiscated from the date of being held guilty and they shall have to submit the balance fee within a week of confiscation of scholarship.

Discontinuation of Scholarship and its Consequences:

If any student fails to fulfil any of the terms and conditions as hereinabove mentioned, their scholarship shall be discontinued. Scholarship once discontinued cannot be claimed again. This rule, however, does not prevent the student from applying for scholarship under Fresh Category, if they find themselves eligible for any such scholarship.

Note: All the above-mentioned conditions for the continuation/grant of scholarship have already been notified to the students i) at the time of their admission, ii) during their Annual Orientation Program, and iii) through subsequent emails.

Revised procedure for Document Verification:

Once the last date for filling the application is over, the Committee shall call the students for interaction & document verification. It shall include verification of original mark sheets and fee payment receipt. The Central Attendance Committee shall parallelly provide the last year attendance records of each applicant, and the Campus Disciplinary Committee shall screen all the names and give its clearance or withhold it, as the case may be.

The schedule for interaction & document verification shall be notified after closing of online application form. Every applicant will appear on their notified dates, as per the schedule which shall be shared later.

Once this process is complete, all the applicants will receive individual response from the Committee, informing them about the acceptance or rejection of their claim.

The rejection communication shall also contain the reason for such rejection.

Apart from individual communication, the Committee shall also publish a list of scholarship recipients (1st list).

Certificate of Scholarship:

The successful applicants shall receive a Certificate of Scholarship.

Grievance Redressal:

The revamped process has been designed to ensure that there are no or minimum grievances, as the rejection communication will clearly mention the reason for the same. Still, taking into account the possibility of any error, the Committee shall invite grievances **ONLY** from the genuine cases.

The grievance can be filed through the ERP, from the tab 'Grievance', below the 'Scholarship' tab. It may be noted that the grievance tab shall be activated only after publication of the 1st list of scholarship recipients.

The Committee shall then publish the 2nd list, if any of the grievances are found to be correct. After the 2nd list, the Committee shall also publish the list of scholarship recipients under Fresh Grants category. Publication of these lists shall conclude the process of scholarship grants for the session 2026-27
