Dear Parent / Student,

Greetings from Lloyd Academic Community!

Lloyd, along with its various cells and committees, continue to deliver learner-centric academic training and workshops throughout the year. The new semester for the academic year 2024 is already underway. Our professional and practice-oriented cells, dedicated to holistic development through skill-building sessions, are prepared with induction sessions and competitions for this semester.

We are pleased to welcome the new B.A.LL.B. & B.Com.LL.B. (2024-2029) to the Personality Development Cell (PDC). In line with our commitment to fostering an intellectually stimulating environment, the PDC is excited to host its first Workshop on **Friday 27 & Saturday 28 September 2024**, exclusively for the B.A.LL.B. & B.Com.LL.B. batches every year.

The Personality Development Program's primary goal is to equip our students with a solid foundation, enabling them to step confidently into the legal profession as competent professionals. We strive to keep our programs at the forefront of legal education, providing individualized support to meet the specific academic needs and concerns of each student.

PDC Aims ::

- Enhance students' confidence levels.
- Identify and remove barriers that hinder self-expression through focused training.
- Provide opportunities for students to sharpen their analytical skills.
- Improve communication abilities.
- Help students become valuable contributors to their institutions, organizations, and families.

Attendance Guidelines ::

- **MANDATORY Attendance** for all students of the B.A.LL.B. & B.Com.LL.B. (2024-2029) batch during the two-day workshop.
- Attendance will be tracked by designated coordinators during each session, and presence will be recorded on both days.
