Dear Parent / Student,

Greetings from Lloyd Academic Community!

Lloyd Law College creates opportunities and provides all the best facilities of learning law and allied subjects knowledge and personality & legal skills during the life of a student in the law school and ever after always. We have subscribed all the best national and international Online Legal and Non-Legal Data Bank Resources with full IP based campus and remote (from home) access to all the students, alumni and the faculties. These online resources are basic to encompass the class room studies, research paper / report / book / essay / case laws / case studies / legislations reading and writing. We have IP based access to [Heinonline](#) / [SCCOnline](#) / [JSTOR](#) / [Oxford University Press](#) / [Kluwer](#) / [Jus Mundi](#) / [Taxmann](#) / [EPW](#) / [Turnitin](#) / [NDL](#) and very soon we are adding [Cambridge Core](#) and [LexisNexis](#) etc. All the students of Lloyd have free (no additional cost), full- and all-time access to all the above-mentioned Lloyd subscribed online legal data bank resources. **Access to all is made available through Academy – College ERP only.** Apart from the Lloyd subscribed online data bank resources, we have provided more than 50 other most important and relevant online data bank resources to all our students on ERP – Data Bank. These resources will make learning better and better.

- **IN-CAMPUS ACCESS** to these resources is directly accessing through College WiFi & Cyberome and also through ERP as below.
- **HOW TO ACCESS** it is when you enters the ERP, you will find the window as below, "Data Bank". Each and every resources speaks it's own "How to Operate". You need to proceed with that way only.
- **HOW TO USE & BEST USE** Every tool to be used for the best advantage requires learning and working. You can go to the "How to use / tutorial platform" for better understanding of the same. We will organize our annual training program of all the resources for all the batches and students of our law school. These training sessions will take place only once in this semester or a year, so everyone must attend and learn how to use and make best use of these resources even when you are living at home.
